

Take The Pledge!

WE HEARD YOU SAN DIEGO! You want to get back to work and we need your help with the next step! Phase 2 is delivering your message directly to the San Diego County Public Health Officials.

Earlier this week, Supervisor Desmond met with the Public Health Officials, for the County of San Diego and presented the ideas we received. They want to hear what your business is committed to do when it comes to keeping everyone safe and getting back to work.

We listened, the next step is going directly to the County Health Officials. We need your pledge to the safety of your customers and employers. Please fill out the form below and submit it to our office ASAP. Your pledges will be delivered to the County Health professionals making the decisions for our region.

We know all of these options may not be applicable for your business. Please, mark all options your business is able to comply with.

Come Up With A Plan

Based on this list of ideas and other best practices are you willing to put a plan together for your specific business type and physical space/location? Are you also willing to have an ongoing compliance monitoring as a commitment to operate safely in order to, in this limited way, open your business?

Email Jim.Desmond@sdcounty.ca.gov with your own business-specific plan, with protocols to operate
